Examiner: Johannes P. Mondt

For: RECTIFIER OF THERMALLY MOVING ELECTRONS AND
METHOD OF CONVERTING THERMAL ENERGY INTO
ELECTRIC ENERGY BY USING THE SAME

Asst. Commissioner for Patents
Washington, D.C. 20231

SUPPLEMENTAL SUBMISSION

Sir:

Applicant further responds herein to the Office Action dated March 20, 2002.

The Examiner has raised specific issues and has requested certain information which is noted in that Office Action. The requested information has been provided and is respectfully submitted to place the application in condition for further examination. It is specifically noted that other issues that have been raised in the aforementioned Office Action have already been responded to in the applicant's previously filed submission in the form of an Amendment which was filed on or about September 20, 2002.

Reconsideration of the application and formal allowance of the claims is earnestly solicited.

I hereby certify that this correspondence is being deposited with the United States Postal Service as First Class Mail in an envelope addressed to: Asst. Commissioner for Patents, Washington, D.C. 20231, on March 5, 2003

Respectfully submitted,

Max Moskowitz
